

Investment Objective: The investment objective of the scheme is to invest in stocks of companies comprising Nifty 50 Index and endeavor to achieve returns equivalent to the Nifty by "passive" investment. The scheme will be managed by replicating the Index in the same weightage as in the Nifty 50 Index with the intention of minimizing the performance differences between the scheme and the Nifty 50 Index in capital terms, subject to market liquidity, costs of trading, management expenses and other factors which may cause tracking error. There is no assurance that the Investment Objective of the Scheme will be achieved.
